

MEMORANDUM

TO: Wyoming School District Superintendents
High School Guidance Counselors

FROM: John Palley
ISC Honors Scholarship Program

DATE: January 30, 2010

SUBJECT: ISC Honors Scholarship Program

IMPORTANT INFORMATION

Enclosed is the 2010 application for the ISC Honors Scholarship Program. Feel free to make as many additional copies of the application as you deem necessary for distribution. **Please do not use older versions of this application.** Please assure that all eligible seniors have access and opportunity to participate in this program.

The purpose of the ISC Honors Scholarship is to promote student excellence and achievement, and to recognize exceptionally able students who show promise of continued excellence. The scholarships are awarded on the basis of merit for the first year of study at the post-secondary level and are renewable for up to three (3) additional years.

Four (4) scholarships of \$1,500 each will be awarded to Wyoming high school graduates. As of this date, we are still awaiting notification that the funds for this program are appropriated. If the funds are not provided, the scholarships will not be awarded, however, we do not anticipate this happening.

To be eligible for the \$1,500 scholarship, the applicant must be a 2010 graduate of a public or private secondary school or have the equivalent of a certificate of graduation recognized by the state, show academic excellence, and have been admitted for the fall semester at an institution of higher education. This institution of higher education **MUST** be located in one of the following eight states: Wyoming, Colorado, Utah, Idaho, Montana, North Dakota, South Dakota and Nebraska.

After completing the form, print it, add the necessary signatures, and mail the form and other required materials to our office. Use of this interactive form is encouraged, as it offers convenience for the applicant as well as improved legibility during the review process. Please note that the program has an **April 20, 2010**, application deadline.
